

Jumpers of the Church of God
In Cambridge Maryland
Would jump and shout
about how they love everyone
But when I asked them for some heat
And something to eat

With voices so sweet they said
You will eat, Bye and bye
You will have heat, Bye and bye
in that wonderful land in the skies,
You'll get warm food and a warm bed
In the sky when you die, when you die

Yes, if gods forgives you
For having a white woman arrested
For simply hating blacks
You'll get warm food and a warm bed
In the sky when you die, when you die.

With voices so sweet they said
You will eat, Bye and bye
You will have heat, Bye and bye
in that wonderful land in the skies, bye and bye
You'll get warm food and a warm bed
In the sky when you die, when you die.

The Preachers they played,
they song and they clapped and they shouted
till they got the money and the babies
And when my mother cried out for food and heat
With voices so sweet they said
If God forgives you for not giving
Dr. Ray H Hughes your baby
You'll get warm food and a warm bed
In the sky when you die, when you die.

With voices so sweet they said
You will eat, Bye and bye
You will have heat, Bye and bye
in that wonderful land in the skies, bye and bye
You'll get warm food and a warm bed
In the sky when you die, when you die.

The Holy Rollers and Jumpers came out
they holler, they jump and they shouted.
Jesus wants you to give up your babies
So you will be healed and have a better life
In the bye and bye

Yes
With voices so sweet they said
You will eat, Bye and bye
You will have heat, Bye and bye
in that wonderful land in the skies, bye and bye
You'll get warm food and a warm bed
In the sky when you die.
